

Commission on the

HISTORY OF CARTOGRAPHY

I

Elri Liebenberg
South Africa

Peter Collier
United Kingdom

Imre Demhardt
USA

What do we do?

We investigate and document the history of Cartography and GI Science during the 19th and 20th centuries

Why?

Because historical maps and historical cartographic material are an integral part of modern cartographic databases.

ICA commissions at a glance

What have we done ?

Four international Symposia:

- Utrecht 2006
- Portsmouth (UK) 2008
- Arlington (Texas) 2010
- Budapest 2012

Two desk-top published Proceedings + CDs

Two published books (Springer Verlag, Germany)

Various contributions to vol 6, and participation in the planning of vol 5 of the History of Cartography Project of the Chicago University Press
