

First Call for Papers
Second Workshop
on
Theoretical Cartography and Geo-Information Science

Organised by

ICA Commission on Theoretical Cartography
ICA Commission on Atlases
Commission of cartography and GIS, China Society of Surveying Mapping
and Geo-Information
Commission of Mapping, Chinese Industrial Association of Geographic
Information

Beijing, China
October 17-19, 2014

Dear colleagues,

The ICA Commission on Theoretical Cartography and the ICA Commission on Atlases will organise the joint workshop on Theoretical Cartography and Geo-information Science, in conjunction with the Commission of Cartography and GIS, the Chinese Society of Surveying, Mapping and Geo-Information, Commission of Mapping, the Chinese Association of GI Industry on October 17-19, 2014, in the Institute of Geographical Science and Natural Resources Research (IGSNRR), Chinese Academy of Sciences (CAS), Beijing.

This workshop is a good opportunity to come together with colleagues from China and all over the world with a focus on new trends in cartographic theory, atlases and geo-information science. Any related topic is welcome to be presented at this event.

- Workshop Address:
 - Meeting room no. 2602,
Institute of Geographical Science and Natural Resources Research (IGSNRR),
Chinese Academy of Sciences (CAS)
A11, Datun road, Chaoyang district, Beijing, 100101, P.R.China
- Accommodation:
 - All participants are recommended to reside in the Best Western OL Stadium Hotel
Beijing, A1, Datun road, Chaoyang district, Beijing, 100101, about 600m from the
conference venue.
- Activities:

- Banquet at Quanjude Roast Duck Restaurant, Shisha Sea branch, while watching a Chinese traditional cultural performance, 19:00—21:00, October 18.
- Visiting the IGSNRR of CAS, 9:30—11:30, October 19.
- Visiting the China Science & Technology Museum, 13:00—17:30, October 19.
- Attending a concert at the National Grand Theater, 19:30—22:00, October 19.

All papers will be presented in the plenary with members of all four commissions present. For convenience a short position paper is also acceptable. This call for participation is extended to all members and corresponding members of the ICA Commissions as well as to all colleagues interested in this themes.

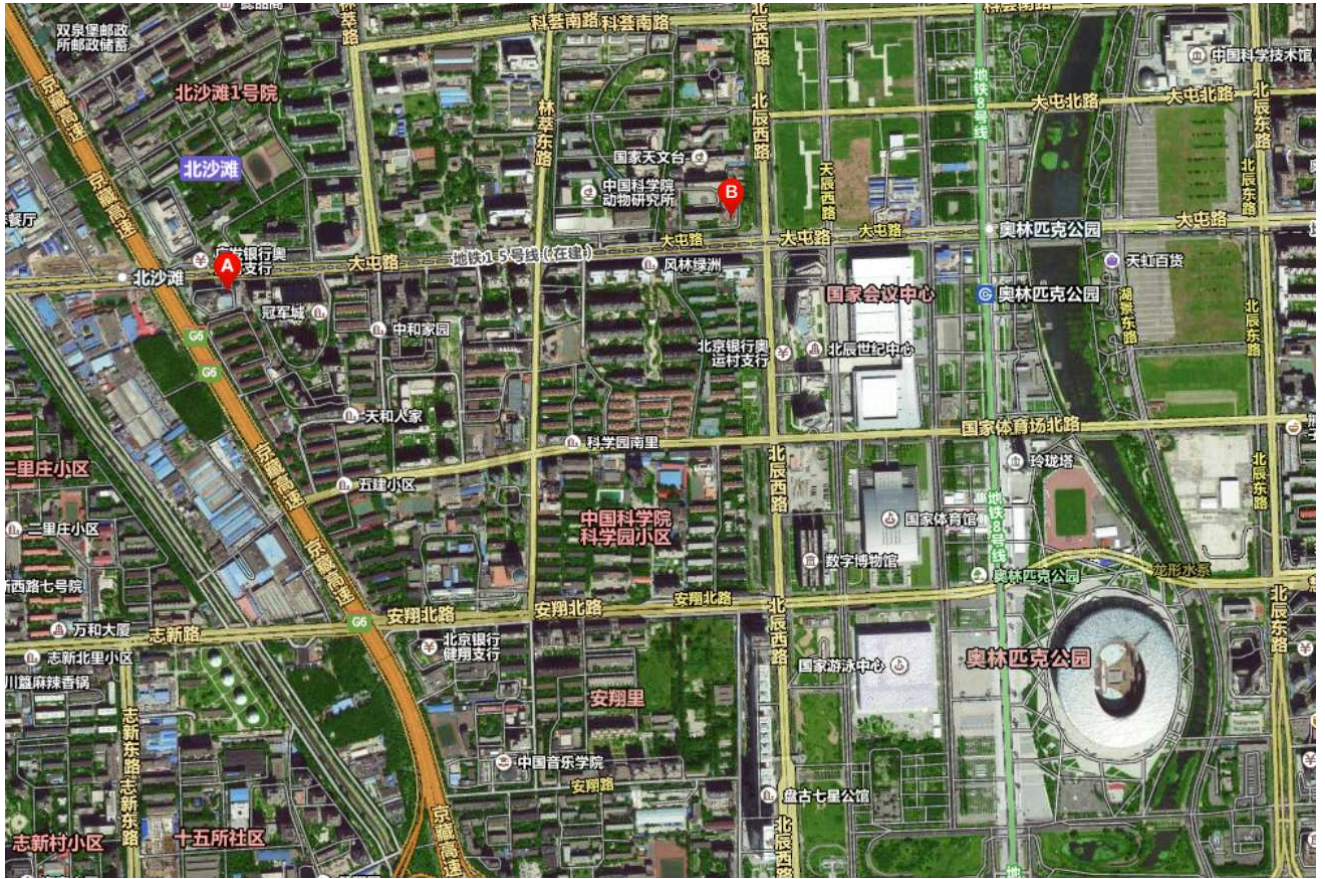

Deadline for registration and announcement of papers: September 1, 2014. Please find the registration form enclosed and send it filled in to qydu@whu.edu.cn. An invitation letter is also enclosed. Please fill in your name and passport number, which is needed to apply for a Chinese visa. If required we will reserve a hotel room for you and send you the hotel reservation confirmation (which is also needed for visa application in some countries).

Looking forward to seeing you in Beijing!

Best regards

Du Qingyun and Qi Qingwen

(Chair, ICA Commission on Theoretical Cartography, Co-chair of ICA Commission on Atlases)
