IGU CGE

Welcome to the website of the Commission on Geographical Education (CGE) of the International Geographical Union (IGU)!

The purpose of the Commission is to promote geographical and environmental education globally. In order to accomplish this goal, the activities of the Commission include:

- publication of a journal, *International Research in Geographical and Environmental Education*, newsletters, and conference proceedings;
- organization of international conferences;
- coordination of international and regional research projects; and
- co-sponsorship of the Geography Olympiad.

Members of the Commission include Professor Lex Chalmers, Commission Chair. Please follow the links to explore this site and the workings of the Commission on Geographical Education.
