What do we do?

- **Organize sessions** at the 2015 and 2017 ICC with focus on cognitive processes when using maps and interactive GeoVA systems.

- **Organize annual meetings**, often with other ICC commissions and/or in conjunction with other events (i.e., ISPRS 2015, AAG 2015, CartoCon 2014).

- **Disseminate findings** with up-to-date website, and peer-reviewed scholarly outlets (i.e., CP 2014, IJGIS 2014, CAJ 2012).

- **Seek out the involvement** of young researchers by including opportunities for training (i.e., Pre-ICC 2013/15 workshops, AutoCarto Columbus 2012).
