**COMMISSIONS AND WORKING GROUPS**

Commissions are established and renewed by decisions of the General Assembly, responding to proposals from member nations which present Terms of Reference and a nomination for chair. Commissions may be renewed by the General Assembly.

Working Groups are established by the Executive Committee in response to a perceived immediate need for ICA involvement in a topic, or in response to a request from any member nation. EC also define the Terms of Reference and appoint the chair of the Working Group.

All Commissions and Working Groups must:

1) Fulfil the specific terms of reference as approved by the General Assembly of Delegates.
2) Disseminate information on their subject matter to the ICA member nations and to the international cartographic community: Commissions and Working Groups are encouraged to do this through publications, for which advice from the Publications Committee can be sought.
3) Where indicated in their Terms of Reference, continue the provision of experts for workshops in developing countries when requested and devote part of ICA’s efforts to the strengthening of cartographic communities in developing countries by disseminating cartographic knowledge in situ.
4) Coordinate their activities with other ICA Commissions, whenever possible.
5) Coordinate activities with Commissions of other international organisations if this is in the interest of the aims and objectives of ICA. In addition, Commissions are encouraged to liaise with bodies such as...
Work Group Chairpersons are:

6) Appoint a vice chair, who will be able to deputise for the chair. This person must be from a different member nation to the Chair.

7) Ensure that the aspects of equal opportunity regarding gender, religion and race, and accessibility, are taken into account in all actions and activities of the Commission.

The responsibilities of the Commission / Working Group Chairpersons are:

1) Membership:
   Under the current Statutes of the Association every member nation and affiliate member may propose a representative in each Commission / Working Group (By-law 7). The representatives have the task of disseminating information about the Commission and raising interest within their national cartographic and GI science community. In addition, Commission and Working Group chairs are entitled to invite and include any individual to become members of the commission / working group (Statutes, Article 24) and should report all changes in membership to the President, the Secretary General & Treasurer and the Executive Committee contact. The Executive Committee recommends that normally a Commission / Working Group would have a limited number of active members, with a range of membership reflecting ICA’s membership profile. Whilst recognising that many Commissions and Working Groups do work most effectively when their activities are geographically limited, it is at all times essential that a Commission or Working Group is not dominated by one nationality. Meetings of Commissions and Working Groups should be open to any individual, Commissions and Working Groups may include corresponding members with a main task of dissemination of information within their national cartographic and GI science community.

2) Budget and finance
   Manage the budget presented by the Secretary-General & Treasurer, request additional funds from the Association if necessary, and inform the President, the Secretary General & Treasurer and the EC contact of all proposed requests for outside funds made to international or other funding agencies.  

3) Reports
   Submit all official Commission / Working Group statements and a bi-annual report on activities to the Executive Committee liaison person (content below), with a copy to the editor of ICA News to ensure widespread dissemination. A brief report must be presented on the first day of ICA conferences about the activities of Commissions and Working Groups over the previous two years. The commissions are also specifically required to present summary reports of their work during their four-year term of office in advance of each General Assembly of Delegates (Statutes, Article 24), and respond to questions from delegates. Assistance in preparing such reports (in the form of a summary poster and as a compilation of the regular bi-annual reports to EC) will be offered by the Secretary-General & Treasurer.

4) Publications
   Work with the Chair of the Publications Committee on all proposed publications of the Commission / Working Group according to the rules of procedure for publications (Statutes, Article 27) 

1 Note that the ICA policy is that members of Commissions / Working Groups should have travel support guaranteed from national sources before they accept a position in an ICA Commission / Working Group. It is understood that this is not always possible, but the ICA would prefer that Commission / Working Group monies should not be used for travel. The request for ICA funds should be made on a project-related basis, for projects that are connected to the terms of reference, especially seminars and publications. Should additional monies for items not initially anticipated be needed, the Executive Committee will consider justified requests for these additional monies that must be specified in the annual report to the Executive Committee. All payments for Commission / Working Group business must be supported by receipts. The President and the Secretary General & Treasurer have to agree before any Commission / Working Group makes application to an international or other agency for funds for support of its activities. The ICA cannot afford to have several of its groups applying independently to the same agency for funding. Such an uncoordinated approach would reflect on the ICA, ultimately jeopardizing all chances for success in raising funds.
5) Information on activities
Write and inform the Executive Liaison of all Commission / Working Group activities, and at any time raise issues of concern with the Executive Liaison or the President and the Secretary General & Treasurer.

6) Archiving
Ensure that as much information as possible about the activities of the Commission / Working Group be preserved on paper (stamped with an ICA logo), and sent to the Secretary-General for archiving purposes.

7) International Cartographic Conferences
Assist the Local Organising Committee of ICCs to manage the Programme for each ICC. This may involve responding to requests for comment about themes for the conference, but primarily it will require active participation in the review of submissions. It is expected that Commission Chairs will respond promptly to requests to review submissions, assist in determining the status of submissions (accepted refereed, submitted papers, posters), and monitor corrections after review. Commission / Working Group Chairs will also be expected to chair technical sessions during ICCs.

8) Arrange and promote a ‘business meeting’ of the Commission / Working Group during each ICC. This event will be scheduled in the ICC timetable and will give an opportunity for the Commission / Working Group to meet, to reflect on recent and future activities, and to promote itself to any and all conference participants.

9) Arrange and promote Commission / Working Group activities in the periods between ICCs which assist in meeting the Terms of Reference. Such activities can include ‘pre-conference workshops’ in a venue close to the ICC, and Commission Chairs can expect some assistance in establishing local contacts to effect such workshops.

10) Attend a briefing/induction meeting immediately after the General Assembly at which they are appointed.

11) Prepare an Operational Plan, which will acknowledge the Terms of Reference approved by the General Assembly and which will be used to set achievable targets for the Commission for a four year period. The Operational Plan may be revised after two years.

EXECUTIVE LIAISON FOR COMMISSIONS AND WORKING GROUPS
The responsibilities of the Executive Liaison are to:
1) Provide assistance to the Commission / Working Group to carry out its terms of reference.

2) Become involved in the work of the Commission / Working Group.

3) Serve as spokesperson for the Commission / Working Group at Executive Committee meetings and be prepared to elaborate on its annual report.

4) Attend, whenever necessary or possible, meetings of the Commission / Working Group.

5) Give the President and Secretary General & Treasurer advice on matters pertaining to the Commission / Working Group which arise between meetings of the Executive Committee.
