

BID FOR ICC 2023
CAPE TOWN, SOUTH AFRICA
13 – 18 August 2023

Theme: “Smart Cartography for Sustainable Development”

South Africa invites the International Cartographic Association and the wider cartography and geographic information science community to meet in Cape Town in August 2023.

The venue for this General Assembly and International Cartographic Conference is the world-class Cape Town International Convention Centre, in the centre of Cape Town – a conference venue that hosts numerous international congresses and conferences of up to 6,000 delegates. The central location makes it easily accessible to a range of accommodation types and public transport. Furthermore, the host city of Cape Town is a popular world-class tourist city, with numerous attractions in and around the city.
