

## Memorandum of Understanding between the International Cartographic Association (ICA) and the Association of Geographic Information Laboratories in Europe (AGILE)

This Agreement, also known as a Memorandum of Understanding (MoU), is entered into on this 14 day of June, 2018, by the International Cartographic Association, hereinafter called "ICA", and the Association of Geographic Information Laboratories in Europe, hereinafter called "AGILE".

1. ICA and AGILE agree to cooperate in the following activities, which are to their mutual benefit:
  - a. Disseminate information and materials about each organization to members of the other using standardized and previously agreed-upon processes and methods;
  - b. Refer to this MoU in the promotional and communication materials of each organization, such as their websites;
  - c. Provide opportunities for each organization to share an update or related news item in the other's organizational publications, such as a newsletter;
  - d. Any other activity agreed by the governing bodies of both organizations.
2. This MoU applies to ICA and AGILE as organizations in their entirety. It does not provide any individual members of AGILE or ICA membership rights in the other (e.g., voting rights or special membership rates at its activities).
3. This MoU between ICA and AGILE will be reviewed every four years by the governing bodies of both organizations before being formally renewed. In the absence of a review by either body, it will be assumed that this MoU has lapsed.
